# THE PRACTICAL BUILDER

Dover Publications Inc., United States, 2013. Paperback. Book Condition: New. 277 x 211 mm. Language: English . Brand New Book. This 1774 guidebook for English carpenters was one of the earliest do-it-yourself manuals ever published. The builders manuals and pattern books of the eighteenth and nineteenth centuries offered carpenters and other construction workers important resources for designs and techniques. Those unable to afford an architect's services could feel confident in the good taste of their residence by selecting designs...
