

How To Not Screw Up When Managing A Remote Team

By Hugo Messer

7write Publishing. Paperback. Book Condition: New. Paperback. 40 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. The main question of the eBook is how to not screw up when managing a remote team. To answer this question, the first chapter zooms into why you would setup an offshore team. Without asking that question, your sole motive might be pure cost savings or to speed up your project on the short term. If those are the only motives, chances are big that you come out disappointed. Managing remote teams, with big geographical, cultural and language gaps, is not easy and needs careful thinking and preparation. Hugo Messer, a global staffing expert from the Netherlands, writes about the why from the vendor perspective. Hugo has gained substantial experience in setting up and managing remote teams, with suppliers, freelancers and own offices. Then Zhenya Rozinskiy, an experienced outsourcer from the US, writes from the buyer perspective about the reasons, risks and rewards. Zhenya has been involved in setting up remote development teams for over 15 years for companies of various sizes and in many different countries. Furthermore, to prepare you for the journey, three authors share their insights into the pitfalls of offshoring and how...
