LAW SCHOOL EXAMS: A GUIDE TO BETTER GRADES

DOWNLOAD

Carolina Academic Press, United States, 2012. Paperback. Book Condition: New. 213 x 145 mm. Language: English . Brand New Book. Law School Exams: A Guide to Better Grades is the complete handbook for students who want to significantly improve their performance in law school. In most law school classes, 90 of a student s final grade is based on a single comprehensive exam that is given at the end of the semester. This book focuses on developing the one skill that can really improve a student s GPA: getting the best possible grade on that all-important exam. Law School Exams: A Guide to Better Grades offers a practical, top-to-bottom strategy that can be applied to almost any law school exam, regardless of the topic or level. Written from the perspective of a student with a 4.0 GPA, this book offers fresh and unique insights on law school exams by stripping the exam format into a series of repeatable steps and building blocks. It also teaches students how to "prepare for exams, instead of preparing for class," with proven time-management, outlining, and case-briefing techniques. Based on the author s highly successful seminar series at the University of Miami, these strategies have already helped hundreds of law students improve their grades. Law School Exams: A Guide to Better Grades is perfect for the over-achieving law student who is aiming for perfect grades, the struggling upper-division student who needs guidance to stay afloat, or the eager pre-law student who wants a peek at what lies ahead.
