Reviews

*Merely no words to clarify. I could comprehend almost everything using this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

LITTLE BUNNY

Barron's Educational Series Inc.,U.S. Board book. Book Condition: new. BRAND NEW, Little Bunny, Giovanni Caviezel, L Rigo, Giovanni Caviezel, Four titles in Barron's charming new "Look at Me Series" of board books for pre-school children tell stories about baby animals and their mothers. In each of these simply told stories, the mother animal takes care of her offspring and keeps the baby animal out of trouble. The simple but true-to-nature stories of animals tending their babies are complemented with vivid, full-color illustrations on every page. The animals are handsomely rendered in a naturalistic style and placed in realistic, detail rich settings that show natural jungle and forest environments as well as familiar household and garden environments for pets. These board books are die-cut in the shapes of the baby animals depicted in their stories.
