PRECIOUS VEYONNE BELIEF: A MOURNING DAWN

Wynter Knights Publishing, United States, 2007. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Precious Veyonne Belief is a deeply personal account of love, heartache, pain and so much more of what we have all experienced in life. Cole Wynter s debut collection of poetry is comprised of fifty individual poems and three original works of art by the author. While each poem possesses it s own unique blend of metaphor and verisimilitude, one constant voice resonates throughout the volume linking such distinct experiences as sensuality and desolation. Wynter recounts the kisses from a girl he used to know in the longer piece Smooches with the same fluidity and style as he describes seemingly unrequited love in the much shorter piece, Pain thereby introducing an intriguing, yet mysterious, figurative female apparition who appears to be at the heart and subject for much of this volume. This deliberate work holds the fullness of life s yearnings and disappointments that exist within us all.
