The Breakfast Machine

By Helen Ivory

Bloodaxe Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Breakfast Machine, Helen Ivory, Inside "The Breakfast Machine" a chicken on squeaky tin legs is cooking you eggs and a squirrel plays tape-recorded birdsong high up in a tree. The Horsemen of the Apocalypse high-tail it into town as cowboys, and the fate of the world is decided by a game of cards. "The Breakfast Machine" is driven by the transformations of fairytale where the dark corners of childhood are explored and found to be alive and well in offices, kitchens and hen-houses. There is more than a hint of East European darkness in Helen Ivory's third collection, which sits more comfortably alongside the animations of Jan Svankmajer than any English poetic tradition.

Reviews

This is actually the finest ebook we have go through until now. It is writter in straightforward words and phrases instead of difficult to understand. Its been designed in an remarkably straightforward way and is particularly just following i finished reading through this book by which basically changed me, change the way in my opinion.
