Brand New Book ***** Print on Demand *****.Here, for your erudition and spiritual delectation, a collection of the homiletic stylings of the Rev. David Williams. Meaning, a bunch of sermons preached to a sweet little church. They re enlightening, hopefully, dealing with topics ranging from human greed, political power, and the seductive power of those dark places in our souls. The title? It s the first reflection, on how to find meaning in the often mindless ritual of communion. Here, have a little plastic cup and a crouton.it s Jesus! In all fairness, be aware every last one of em can be read online for free at thesermonrepository.org. Hard up for cash? Go there. They re yours. The Word is free, after all. But there s something about a physical book, and those don t magically print and mail themselves. So if you d rather leaf through pages and reflect, this is for you.
